

# MYNEXTSTEP AFFILIATE PROGRAMME TERMS & CONDITIONS

Salam! Welcome to the **MYNextStep Affiliate Programme** and thank you for being part of a growing movement to inspire SPM leavers across Malaysia!

This programme is for anyone who believes in helping youth find their direction while earning a little extra along the way. By joining, you agree to the simple terms below.

## 1. Who Can Join

Anyone can become a **MyNextStep Affiliate** — students, parents, teachers, content creators, community leaders, or anyone passionate about teens and youth development.

You only need:

- A genuine heart in the MYNextStep programme initiative.
- An active online or offline circle to share information to.
- A positive attitude and willingness to promote responsibly.

No experience needed — just enthusiasm and consistency!

## 2. How It Works

Once you join, we'll send you a **unique affiliate link to your inbox**.

Every time someone signs up for MYNextStep using your link, you'll earn a commission. A **confirmed sale** means payment has been received in full and any refund or cancellation window has passed.

### 3. Commission, Payout & Dashboard

- You'll earn **RM49 for every confirmed sale** made through your affiliate link.
- Payouts are made **on the 30th of each month** via **bank transfer**, for confirmed sales of the **same month**.
- Refunds, chargebacks, fraudulent, or duplicate sales are not eligible for commission.
- You're responsible for keeping your bank details accurate and managing your own tax obligations.

You can track your performance, earnings, and referrals anytime through the **MYNextStep Affiliate Dashboard**.

All sales and commissions are tracked through MYNextStep's internal system; in case of disputes, the system record will be considered final.

### 4. How to Promote

We love seeing affiliates share in their own creative and genuine way!  
Here's what's cool and what's not:

#### ✓ Do:

- Share your story, your experience, and why the programme matters.
- Post in your social circles, communities, and among friends.
- Use the official visuals and materials provided by the MYNextStep team.

#### ✗ Don't:

- Spam or use unethical and misleading promotions.
- Associate the programme with political, religious, or sensitive content.

No. Rujukan:

- Offer unauthorized discounts or represent yourself as the official brand or internal team.

We want your promotions to feel honest, kind, and inspiring — just like our mission.

## 5. Use of Brand Materials

We'll provide you with approved visuals, copy, and logos to make sharing easy. Please don't modify our logo and shared materials without approval.

## 6. Relationship

You're joining as an **independent affiliate partner**, not as an employee, agent, or representative of MYNextStep. You have full flexibility to promote when and how you like!

## 7. Ending the Partnership

There's no pressure and no paperwork — you can stop anytime before the end of MYNextStep which is by **31st January 2026**. Likewise, MYNextStep may end or pause affiliate access at any time, with or without notice.

If you have valid confirmed sales before stopping, we'll still make sure you get paid.

## 8. Liability

We do our best to keep everything running smoothly, but MYNextStep can't be held responsible for technical issues or matters **beyond our control**.

We may update them from time to time – continuing as an affiliate means you're okay with any new updates.

Thank you for being part of this journey! Together, we're helping Malaysia's SPM Leavers take confident, meaningful steps toward their future — and that's something worth sharing.
